Did You Know?

Our assets have grown to over \$3.7 million, up from \$2.7 million at our fiscal year ended June 30, 2010?

This tremendous growth is the result of donations to current restricted funds, unrestricted gifts, the creation of new funds, and positive markets.

Help us continue this amazing growth!

We are all SO busy today, and when aren’t we glad to have things made easier for us? That’s why I joined The Defiance Area Foundation. They make giving to our favorite causes so easy.....whether it’s to a fund already established for a cause I care about, or one they will design around my interests!

There are many ways to give our dollars that just provide a one-time impact. But the Foundation is our way to establish a permanent chain of funding to keep on giving over the years! This is a different way to look at giving.

The Foundation also makes sure that all the paperwork is properly maintained, all of the figures accurately calculated. As a busy person, I appreciate that all the work is done for me!

As chairperson of the marketing committee, I see our job simply to share information about WHAT the Foundation is all about, HOW it can make giving easy, and WHY it is the perfect vehicle for a long-range giving plan. The Foundation can make all of our lives easier, by helping us to have a plan for giving that lasts a lifetime and beyond.

New Funds Created

Does your favorite charity have a fund with The Defiance Area Foundation? Several new funds have recently been added.

You can now support The Defiance Clinic Charitable and Educational Fund and The Hicksville Community Fund through The Defiance Area Foundation. Both of these funds will support the individual missions of each organization.

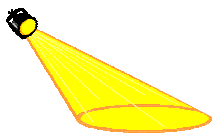

If you have a passion that does not have a fund for long-term benefits at The Foundation, give us a call.

New restricted funds can be established to specifically benefit special interest groups, scholarships and not-for-profit organizations.

The Defiance Area Foundation makes donating to your passion and fulfilling your philanthropic goals easy. To set up a donor-advised fund or a fund to benefit your favorite charity, contact Executive Director Christine Hubbard at 419-782-3130.

Bring this voucher in & \$1.00 from your full priced grande/super specialty beverage will be donated to the Defiance Area Foundation!

Fund Spotlight:

Jim and Karen Schmidt of Hicksville have a vision for their community. They believe in the wise words of Nelson Henderson who said, "The true meaning of life is to plant trees under whose shade you do not expect to sit."

The Schmidt's, along with several other community-minded Hicksville residents, are fulfilling this vision through a new Donor-Advised Fund at The Defiance Area Foundation.

The **HICKSVILLE COMMUNITY FUND** has recently been established and is growing in dollars and enthusiasm from those in the community who are passionate about their home town.

Anyone can donate to the fund, but all grants made from the fund will be reviewed by an Advisory Committee from Hicksville and will be awarded to non-profit organizations in the Hicksville Community. This fund will ensure that the Village will continue to prosper both Today *and* Tomorrow.
